SAVE THE DATE!

NSPE Northeast Region 2010 Fall Conference September 9-10, 2010 Burlington, Vermont

The Vermont Society of Professional Engineers is proud to host the NSPE Northeast Region 2010 Fall Conference. We welcome engineers, spouses and their families from across the region to join us. Use this opportunity to earn PDH's, network with colleagues, and find new opportunities.

The conference will be held at the Hilton Burlington, on the shores of Lake Champlain. In the heart of downtown Burlington and just 10 minutes from Burlington International Airport and Interstate 89, the Hilton provides easy access to recreation, arts, history, shopping and entertainment.

Come and enjoy the beauty of the Green Mountain State.
We look forward to seeing you!
